BY TRANSVIA SPORT

The VCV - Volta a la Comunitat Valenciana (VCV) is a highly prestigious cycling event within the UCI international calendar, with a line-up of participants formed from the best cyclists in the world.

We invite you to experience the VCV - Volta a la Comunitat Valenciana 2023 from inside the event. Experience and live the atmosphere of the race from a privileged position. Observe the cyclists closely during the start and finish procedures of the race. Live the race from the heart of the organization. Personally experience the queen stage of the VCV 2023 on a guided bike tour. Stay overnight in the same hotels as the professional teams. In short, live and breathe cycling like you never imagined doing it.

Transvia Sport is the only Official Operator of the VCV. Our association together with the race organizers allows us to offer the most privileged experience within the VCV, with 4* hotel accommodations, distinguished restaurants and exclusive VIP privileges to see and experience the stages in an unprecedented way. Join us and absorb professional cycling from the inside!

The VCV Experience is an experience only for VIP clients. Therefore, the maximum number of participants will be 20 people. What does the VCV Experience include?

- 4* hotel accommodation and dinners in select restaurants in the city of Valencia.
- VIP access in the start area: Stroll among the VCV cyclists and celebrities before the stage begins. Watch the stage start from the VIP area reserved for VCV Experience clients, next to the authorities and press area.
- Follow the stage from the organization's official car: Immerse yourself inside the groups formed by the cyclists during the race along the stages of the VCV from one of the organization's official cars.
- VIP access to the finish area zone: Watch the finish of each stage from the VIP tent located next to the finish line. Experience closely the emotion of the podium ceremony, just as if you were just another cyclist.
- The city of Valencia tourist tour.
- Guided cycling route using high-quality road bicycles and accompanied by mechanical assistance. This tour culminates in the unprecedented finish of the queen stage of the VCV 2023*.
